

Brochure and Application for the year 2006

WHY YOU NEED THIS PROGRAM. While the United States offers the most comprehensive medical care available, it is often complicated as well as very expensive. For the visitor to the United States or the recent immigrant, finding a program that is easy to understand and reasonably priced is often difficult.

As a solution, Travelers Liberty was developed to provide a simple program to visitors and immigrants.

This is a brief description of the Travelers Liberty program. Detailed wording is outlined in the Program Summary, which will be mailed to you once you have enrolled into Travelers Liberty.

ELIGIBILITY. This program is available to non-United States citizens who come to the U.S. for business, pleasure, to study, or to immigrate. The program must become effective within 12 months of arrival in the United States.

PERIOD OF COVERAGE

You may initially enroll into Travelers Liberty for between 15 days and 12 months. If you initially purchase at least 15 days, you may continue to renew coverage for a minimum 15 days at a time, at the premium rate in force at the time of renewal. Total period of coverage for Travelers Liberty cannot exceed 18 months (in order to reapply after the 12 months, you must first exit the United States and then re-enter).

Effective Date - Your coverage will begin on the latest of the following:

1. Your departure from your Home Country; or
2. The date your Application and premium are received by SRI; or
3. The date your Application and premium are accepted by SRI; or
4. The date you request on the Application.

Expiration Date - Your coverage will end on the earlier of the following:

1. The date shown on the Insurance Confirmation Card, for which premium has been paid; or
2. The date you return to your Home Country; or
3. 12 months after your original Effective Date; or
4. The day an insured becomes a U.S. citizen or is considered a U.S. resident by the state where they are residing; or
5. The date of entry into active military service.

Upon each renewal, rates, benefits, and program in general are subject to change.

RENEWAL. If Travelers Liberty is initially purchased for at least 15 days, SRI will send a renewal notice to the Email address listed when originally purchased. Coverage may then be renewed for a period of time, depending upon your specific need. Again, total period of coverage for Travelers Liberty cannot exceed 18 months.

SCHEDULE OF BENEFITS

When your covered Injury or Sickness requires treatment by a physician, this program will provide benefits for the Usual and Customary (U&C) charges scheduled below which exceed the chosen Per Person Deductible (either \$50, \$75, \$100, \$150 or a \$250) (for age 70 and over, \$250 is the deductible) for each Injury and each Sickness and which are incurred within the 26 weeks following the Injury or Sickness. Payment for any covered service will be no more than the Benefit Maximum shown. The maximum amount payable for all benefits will be no more than \$50,000, \$100,000, or \$250,000 (depending upon program purchased and availability) for each Injury and each Sickness.

For persons age 70 and over, the maximum benefit limit is \$50,000, the period in which covered expenses must be incurred is 26 weeks following the Injury or Sickness, and a separate schedule applies.
