What's Covered by StudentSecure®?

Pre-Existing Conditions

After six months of continuous coverage, StudentSecure Elite and StudentSecure Select will provide benefits for pre-existing conditions (12 months for StudentSecure Budget). A pre-existing condition is generally defined as any injury or illness which, within the 12 months prior to the effective date of coverage, manifested itself, exhibited symptoms, or required medical treatment or medication, or for which a physician was consulted. Please refer to the certificate of insurance for the complete definition.

Acute Onset of a Pre-Existing Condition

Individuals who purchase a StudentSecure plan are entitled to a \$25,000 lifetime maximum for the acute onset of a pre-existing condition. The acute onset of a pre-existing condition means a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning in the form of physician recommendations or symptoms, is of short duration, is rapidly progressive, and requires urgent care. The acute onset of a pre-existing condition must occur after the effective date of the policy. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence. A pre-existing condition that is a chronic or congenital condition or that gradually becomes worse over time will not be considered acute onset. All other expenses related to pre-existing conditions are not covered with StudentSecure Smart.

Organized Sports Activities

Medical expenses for injuries or illnesses sustained while participating in intercollegiate, interscholastic, intramural, or club sports are covered by the StudentSecure plan up to a maximum of \$5,000 per Injury or Illness on StudentSecure Elite and Select and up to \$3,000 per injury or illness on StudentSecure Budget. StudentSecure Smart does not provide coverage for organized sports activities.

Mental Health Disorders

StudentSecure provides benefits for mental health disorders. Drug and alcohol abuse are covered under this benefit on the Elite, Select and Budget plan levels. Treatment for mental health disorders is covered only if not obtained from a student health center.
