Available Services

Various 24-Hour Emergency Assistance Services are provided along with the Generali Global Assistance plans. A description of all 24-Hour Emergency Assistance Services are contained in this document. This plan is administered by Generali Global Assistance and Insurance Services.

How to Call the 24-Hour Emergency Hotline

If you need emergency help for an available service, you can call toll-free 24 hours a day to (877) 243-4135 from within the United States, or call collect to (240) 330-1529 from around the world.

After your coverage has been verified, the assistance provider will assist you. If you cannot call collect from your location, dial direct and give the assistance provider your telephone number and location and they will call you back.

To call collect from a foreign country you may first need to reach a live operator on the line. In some cases, that operator may not understand how to process collect calls to the United States. To be prepared, please visit www.consumer.att.com/global/english/away/directservice.html for information on how to reach an English-speaking operator. If you were unable to reach Generali collect and paid for your call, we will ask you for a number to call you back so you will pay no further charges.

In the event of a life-threatening emergency, please first call the local emergency authorities to receive immediate assistance and then contact the assistance provider.

There may be times when circumstances beyond the assistance provider's control hinder their endeavors to provide help services; however, they will make all reasonable efforts to provide services and help resolve your problem.

The assistance provider cannot be held responsible for failure to provide, or for delay in providing services when such failure or delay is caused by conditions beyond its control, including but not limited to flight conditions, labor disturbance and strike, rebellion, riot, civil commotion, war or uprising, nuclear accidents, natural disasters, acts of God or where rendering service is prohibited by local law or regulations.

The assistance provider's staff will do their best to refer you to the appropriate providers. However, the assistance provider and Generali cannot be held responsible for the quality or results of any services provided by these independent practitioners.

What We Do

How does GUSB protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal and state law. These measures include computer safeguards, access limitations, and secured files and buildings.

How does GUSB collect my personal information?

We collect your personal information, for example, when you:

- affiliates from using your information to market to you.
- sharing for nonaffiliates to market to you.

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

What happens when I limit sharing for an account I hold jointly with someone else?

Your choices will apply to everyone on your account.
