This plan is not considered to be Minimal Essential Coverage as defined by the Patient Protection and Affordable Care Act (ACA).

**Secure Lite short-term medical insurance offers protection when circumstances leave you temporarily uninsured.**

Secure Lite offers short-term medical coverage with an affordable premium, achieved through carefully selected benefit limitations. Coverage is available in most states for 30 to 90 days.

Short-term medical insurance is not a substitute for a major medical plan that meets the minimum essential coverage levels defined by the Patient Protection and Affordable Care Act, also known as ACA. It can, however, offer financial protection in the event of an unexpected injury or illness while you are waiting for coverage to begin under an ACA-compliant plan.

### **When to consider a short-term medical plan:**

- **Missed open enrollment**

If you have missed the opportunity to secure coverage during the open enrollment period, you may be ineligible to buy a major medical policy until the next open enrollment period unless you have a qualifying event.

- **Newly hired**

Often, an employer-sponsored plan includes a waiting period before health insurance benefits begin.

- **Waiting for an ACA plan**

Many plans on the Health Insurance Exchange offer only one effective date, the first of the month. Depending on when you submit your application, you may have to wait up to 45 days for your coverage to begin.

Coverage can begin as early as the day following your online application, if approved, and last up to 90 days.

## Secure Lite plan selections

All benefits listed apply per covered person, per coverage period. Refer to the descriptions below the chart for additional benefit details.

<b>Office visit copay</b> The copay applies to the first covered office visit during the policy period. After the copay, the balance of the doctor office visit charge is covered at 100 percent. Additional covered expenses incurred during the office visit, including expenses for laboratory and diagnostic tests will be subject to plan deductible and coinsurance.	\$50 copay
<b>Deductible</b> The selected deductible must be paid by the covered person before coinsurance benefits begin.	\$500 \$1,000 \$2,500 \$5,000
<b>Coinsurance percentage and out-of-pocket</b> After the deductible has been met, the Secure Lite plan pays the selected percentage of covered charges. The covered person is responsible for the remaining percentage of covered charges until the selected out-of-pocket amount has been reached.  The out-of-pocket amount is specific to charges applied to coinsurance; it does not include the deductible.	20% coinsurance Out-of-pocket: \$2,000 \$3,000 \$4,000  50% coinsurance Out-of-pocket: \$5,000 \$7,500 \$10,000
<b>Coverage-period maximum benefit</b>	\$750,000

## Association Benefits

When you purchase a Secure Lite plan, you will become automatically enrolled into Communicating for America, an association-based membership program. You will receive instructions on how to access your association benefits in your welcome letter.

Benefits include:

- Discount Prescription Drug Card
- Vision Discount Program
- Member Advocates

To view a list of benefits, visit [www.communicatingforamerica.org](http://www.communicatingforamerica.org). These are non-insurance benefits.

## Deductible

When three covered persons in a family each satisfy their deductible, the deductibles for any remaining covered family members are deemed satisfied for the remainder of the coverage period.

## Coinsurance percentage and out-of-pocket

Once the deductible and coinsurance out-of-pocket amounts have been paid, additional covered charges within the coverage period are paid at 100 percent, up to the maximum benefit. The coinsurance out-of-pocket does not include any precertification penalty amounts or expenses not covered by the plan. Benefit-specific maximums may apply.

## Payments to suit your situation

Secure Lite offers monthly premium payments using credit card or automatic bank withdrawal.

## Utilize a network provider and save

With your Secure Lite short-term medical plan, you have the freedom to choose any provider. In certain markets, you also have access to discounted medical services through national preferred provider organizations (PPOs). These network providers have agreed to negotiated prices for their services and supplies. While you have the flexibility to choose any healthcare provider, the discounts available through network providers for covered services may help to lower your out-of-pocket costs.

At the time of service, simply present your identification card, which will include the network information needed for the provider to correctly process covered billed charges.

## Covered expenses

All benefits are subject to the selected plan deductible and coinsurance. Covered expenses are limited by the Usual, Reasonable and Customary Charge as well as any benefit-specific maximum. If a benefit-specific maximum does not apply to the covered expense, benefits are limited by the coverage-period maximum. Benefits may vary by state.

Covered expenses include treatment, services and supplies for:

- Inpatient hospital regular care up to \$1,000 per day; includes daily room and board and miscellaneous charges<sup>1</sup>
- Inpatient hospital intensive care or critical care up to three times the average semi-private room rate with a \$1,250 maximum benefit per day; includes daily room and board and miscellaneous charges<sup>1</sup>
- Outpatient hospital surgery and ambulatory surgical center services up to \$1,000 per day; includes cost of operating room and miscellaneous charges<sup>1</sup>
- Outpatient emergency room services up to \$500 per day; includes the emergency room physician charge, 24-hour surveillance and miscellaneous charges<sup>1</sup>
- Inpatient physician visits up to \$500 per hospital stay
- Surgical and anesthesiology services up to \$2,500 per surgery with a \$5,000 maximum per coverage period
- Outpatient or physician office miscellaneous medical expense services up to \$1,000 per coverage period
- Ambulatory services up to \$250 per trip
- Organ transplants up to \$150,000 per coverage period
- Acquired Immune Deficiency Syndrome (AIDS) up to \$10,000 per coverage period<sup>2</sup>

## Pre-existing condition limitation

Secure Lite will not provide benefits for any loss caused by or resulting from a pre-existing condition. A pre-existing condition is any medical condition or sickness for which medical advice, care, diagnosis, treatment, consultation or medication was recommended or received from a doctor within five years immediately preceding the covered person's effective date of coverage; or symptoms within the five years immediately prior to the coverage that would cause a reasonable person to seek diagnosis, care or treatment. The period of time preceding the effective date of coverage may vary by state.

<sup>1</sup>Miscellaneous charges include X-rays, scans, laboratory, blood, therapy, oxygen, casts, splints, medicines, injections, chemotherapy and medical supplies.

<sup>2</sup>The AIDS maximum of \$10,000 per coverage period benefit varies by state.

## **Usual, Reasonable and Customary Charge**

The Usual, Reasonable and Customary Charge for medical services or supplies is the lesser of: a) the amount usually charged by the provider for the service or supply given; or b) the average charged for the service or supply in the locality in which it is received.

With respect to treatment of medical services, Usual, Reasonable and Customary means treatment that is reasonable in relationship to the service or supply given and the severity of the condition. In reaching a determination as to what amount should be considered as Usual, Reasonable and Customary, we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

## **Eligibility**

Secure Lite is available to all members of Communicating for America, Inc. (CA) from age 18 to 64, their spouse age 18 to 64 and dependent children up to age 26. Each applicant must qualify based on the plan's application questions and underwriting guidelines. Child-only coverage is available for children age 2 up to age 18. The CA membership requirement varies by state.

## **Effective date**

Coverage can begin as early as the day following your online application submission. You may request a later effective date up to 60 days after the application date. All coverage is subject to approval and payment of the first premium.

## **Right to return period**

If you are not completely satisfied with this coverage and have not filed a claim, you may return the Policy/Certificate of Insurance within 10 days and receive a premium refund.

## **Precertification**

You must notify the professional review organization 10 days prior to an elective or nonemergency hospital admission or surgery and 48 hours following an emergency admission to the hospital, or as soon as reasonably possible. Failure to precertify will result in a benefit reduction of 50 percent. Precertification is not a guarantee of benefits.

## **Continuing coverage**

Although Secure Lite is not renewable, if your need for temporary health insurance continues, most states allow you to apply for another Secure Lite plan. Your application is subject to eligibility, underwriting requirements and state availability of the coverage. The next coverage period is not a continuation of the previous period; it is a new plan with a new deductible, coinsurance and pre-existing condition limitation.

## **Coverage termination**

Coverage ends on the earlier of the date: the premium is not paid when due; you become eligible for Medicare; you enter full-time active duty in the armed forces; or fraud or misrepresentation has been made in filing a claim for benefits. A dependent's coverage ends on the earlier of the date: your coverage terminates; the dependent become eligible for Medicare; or the dependent ceases to be eligible. Additional events or circumstances may cause coverage to terminate; refer to the Policy/Certificate of Insurance for complete details.

### **Short-term medical expense coverage under the Secure Lite plan is not available in all states.**

This brochure provides a very brief description of the important features of the Secure Lite plan. This brochure is not a policy and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both the policyholder and the insurance company. It is, therefore, important that you READ THE POLICY CAREFULLY. In the states of ID, IN, KS, LA, MD, ME, MN, MT, NV and SD coverage is offered under an Individual Short-Term Medical Expense Insurance Policy, Form No. SSL-ISTM-1104. The policy form number will vary based on the state in which it is issued. In other states, short-term medical expense coverage is available to members of Communicating for America, Inc. (CA), the Group Policyholder. Coverage is offered under a group Certificate of Insurance, Form No. SSL-STMP-1104. CA is a national, non-profit 501(c)3 association headquartered in Fergus Falls, Minn., with an office in Washington, D.C., that has been providing valued member benefits and savings since 1972. Your enrollment as a member of CA is completed upon receipt of the association dues.
