Pre-Existing Medical Conditions

This policy does not cover **pre-existing conditions**, except charges resulting directly from an Acute Onset of Pre-existing Condition subject to the limits set forth in the Schedule of Benefits and Limits.

Pre-existing Condition means any

(1) condition for which medical advice, diagnosis, care, or treatment (includes receiving services and supplies, consultations, diagnostic tests or prescription medicines) was recommended or received during the 2 years immediately preceding the certificate effective date;

(2) condition that had manifested itself in such a manner that would have caused a reasonably prudent person to seek medical advice, diagnosis, care, or treatment (includes receiving services and supplies, consultations, diagnostic tests or prescription medicines) within the 2 years immediately preceding the certificate effective date;

(3) **injury, illness**, sickness, disease, or other physical, medical, mental, or nervous conditions, disorder or ailment (whether known or unknown) that, with reasonable medical certainty, existed at the time of application or within the 2 years immediately preceding the certificate effective date. For the purposes of the Complications of Pregnancy coverage offered hereunder, pregnancy will not be included within the definition of a **pre-existing condition**.

Acute Onset of Pre-existing Condition means a sudden and unexpected outbreak or recurrence of a **pre-existing condition(s)** which occurs spontaneously and without advance warning either in the form of **physician** recommendations or symptoms, is of short duration, is rapidly progressive, and requires urgent care. The Acute Onset of a Pre-existing Condition(s) must occur after the certificate effective date. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence. A **pre-existing condition** that is a chronic or congenital condition or that gradually becomes worse over time will not be considered Acute Onset. This benefit does not include coverage for known, scheduled, required, or expected medical care, drugs or treatments existent or necessary prior to the certificate effective date.

Notwithstanding the foregoing, and if **you** are visiting the U.S., **we** will pay for expenses to return **you** to **your home country** if the attending **physician** and **our** medical consultant agree that transfer to the **home country** is more appropriate than transfer to the nearest qualified **hospital**.

2. Anything mentioned in the General Exclusions.

We are held harmless and shall not be held liable for loss of or any damage or other impairment to bodily remains incurred during the repatriation process or otherwise.
